## WEEKLY REPORT

- **Çağlar ATA**

This week, I solved save/load issues in Game Editor. I bind the file dialog user interface with save/load option. I updated the layout of user interface.

- **Aysun BAŞÇETİNÇELİK**

I could not work much this week, I tried to look at the camera properties and tried to add different views.

- **Cemal Acar ERKEK**

This week, mostly I have worked on FileManager class. I solved tar archiving issue in windows. In addition, I assisted Çağlar in save/load issue.

- **Mennan GÜDER**

I looked at adding message and sound to the demo.

- **Çağrı ÖZTÜRK**

I tried to add message property to the project. Also I tried to record sound and play it then.
