Weekly Progress Report – 2

Team Prime'

Ant Ongun Kefeli

Doğan Poyraz

Yurdakul Göksu Orhun

Onur Cem Sırlı

- We had a meeting with our sponsor company's project manager for further design issues.
- We had a team meeting in order to discuss moot design points.
- We began to draw class hierarchy of our Initial Design Report.
- We began to get familiar with Linux environment and commands needed for our project.

Next Week

We will complete our Initial Design Report and begin to prepare for Final Design Report.
