Weekly Report - 6

Selçuk TUNÇ
e1298348

I made the data flow diagrams and sequence diagrams for the editor part of our project initial design report. I got feedback from my friends while drawing these diagrams.

Akin Ercan ÜRET
e1298405

I worked on the design of the run time environment. I also draw a use-case and a sequence diagram associated with it.

Çağatay TURKAY
e1298355

This week I worked on the initial design report. I wrote the details of the data structures and algorithms to use in our editor. I examined the data flow class by class. And I told the details of these class designs to my friends.

Sinan MUTLU
e1298025

I worked on user interface design and drew class diagrams for the whole project. I made a new, updated gannt-chart to include in our report.
