

WEEKLY PROGRESS REPORT

Team: Big Ceng Theory

Team Member: B.Ceren Dođankaya

Week Reported: 09.05.2012 - 15.05.2012

Progress:

This week, we had a meeting with Volkan about the visuals. We decided which visuals should be changed. I sent screen shots of tasks to Volkan after the meeting. I shared with the group members and Volkan a spread sheet that contains the remaining works. We also had a meeting with physics teacher from METU highschool on monday. We decided to make test with students on last week of May. The time is enough for us to finish the remaining works.
