

WEEKLY PROGRESS REPORT

Team: Big Ceng Theory

Team Member: Özgün ÇİÇEK

Week Reported: 02.04.12-09.04.12

Progress:

This week our priority tasks were integration of existing tasks and starting new ones. Saturday I and Ceren worked on integration and finished it actually we rebuild the task with cows on other procekt from the beginning. Now we have one project and one game with following tasks. Since visuals did not come on Friday night we have not started to new project on saturday. Visuals came on Saturday night, with a few days delay we are planning to set up new tasks on Wednesday and catch up the iteration schedule of last week.
