Week Reported: 14.05.12-22.05.12

Progress:

This week I worked on the things listed in the yapılacaklar Google document. I tried to start with the important ones for test in ODTÜ High school. I did chain, I integrated new graphics to the project came from Volkan Uysal: new tanks for liquids, new ok button, gate, etc. I have finished all the clues, I put Newton visuals to mid quest 3, I also started to work on solving some bugs essential for testing. I prepared an questionnaire for students after the testing process in ODTÜ high school. I used the document of Institute of Play.
